Please LET US KNOW if you are going to attend a grading. This will reduce the chances of cancellation due to low numbers. This is especially important for female, masters and all Dan grade judoka. The Southern Area will do everything possible to run each grading.

All gradings run with the Chair of the Southern Area Promotions Sub-committee and/or the Area Director of Examiners in attendance, in a purpose-built facility with (inter)national referees and first aid support.

Competitive Skills Theory examinations (£10 fee for 1st Dan and 2nd Dan; £15 fee for 3rd Dan and 4th Dan) and Technical Dan Grading examinations (£20 fee for 1st Dan and 2nd Dan) can also be conducted on the day if arranged in advance.
